

Our Services

Why Should You Switch To Aurora?

Why Choose Aurora?

Putting Customers First

Our passion for great customer service is unrivalled - from the first enquiry to the orders our customers place with us. We provide customer support in the form of training, meter readings, installations, servicing or remote support. No question is too big or too small - just ask one of our friendly advisors and we can help!

Multi-Vendor Portfolios

Whether it's print solutions from Canon, Lexmark, Konica Minolta or Kyocera, or telecoms solutions from one of the big four networks - we have strong manufacturer accreditations! We also specialise in Microsoft Office 365 solutions and are a Gold Certified partner of Gamma.

Fantastic Service

We provide a high level of service, communication and engagement to make sure your needs are dealt with properly and in record time. We're proud to boast a successful 92% first-time fix for any issues, and we have 99.9% uptime!

Switching To Aurora

If you're looking for a new provider, Aurora is here to help. We want to make transitional processes as smooth and simple as possible. Simply get in touch with one of our team, and we will help you with any print management, telecoms and access systems solutions!

Solutions: The Aurora Way

Production Print

Transform your workflows with our high-volume, top-of-the-line production printing hardware and software. From digital presses, cut sheet presses and wide format printers. We partner with the top industry manufacturers to enable you to pick from a wide range of machines that work for your business.

Print, Scan & Copy

Our print management unites your print fleet and scan devices, ensuring that they will work together in a way that benefits your business both operationally and financially.

Professional Services

We can help evolve your office print, scan, extraction, workflow and document management systems. Our portfolio of workflow software can help you manage your office more efficiently. Increasing output, eliminating repetition, and reducing errors.

Office Supplies & Stationery

Our team of dedicated specialists can support you with whatever you need for your office! We have over 30,000 products from office and facilities supplies, to office machines, to ergonomic furniture. We can also help with your ink and toner supplies!

Access Systems & Security

Keep your office secure with our access systems. We provide security solutions including CCTV, panic buttons, intercoms and alarms on the go - helping you access and manage security from anywhere!

Cloud Telephony, Mobile & Unified Comms

Stay connected with our range of services. Whether it's unified communications, IM & desktop sharing, handset and device management, mobile services, or something completely different - Aurora's telecom solutions are unrivalled.

If you would like to speak to an advisor on how we can help you, then get in contact with us today on **020 7503 3000** or email **generalenquiries@aurora.co.uk**.
